## FIZZY POTS OF GOLD

### Fizzy Pots St Patrick's Day Science

#### Materials:

Baking soda, white vinegar, food coloring, small black pots, glitter and fake gold coins (optional), baster or small squeeze bottle, baking tray.

#### Setting Up the Experiment:

Set out tray with little pots. You can add a rainbow of colors or just do one pot. Add food coloring and glitter/coins to each pot. Scoop in baking soda into each pot. Use baster or squeeze bottle to add vinegar to each pot. Watch as the reaction between the baking soda and vinegar causes fizzing action!
