

AUGUST

Supplies: Contact Paper, Colored Tissue Paper, Red/Green Paper

Instructions: Make copies of the apple printable on your red or green paper. Cut out each apple and then cut out the center of each apple. Cut a piece of contact paper so it covers the inside of the apple. Remove the backing and have child place pieces of tissue paper to the sticky contact paper. Once finished place another piece of contact paper over the apple so nothing is sticky.

Apple Suncatchers

Before & After

School Program

Caughtlin Adventure Camp is enrolling for Before and After School care for the 2024-2025 School Year. Please see the front desk for more information.

Supplies:

Water Bottle

Baking Soda

Vinegar

Balloons

Measuring Spoons

Funnel

Instructions:

Blow the balloon up a little and use the funnel and teaspoon to add baking soda into the balloon. Fill the container with vinegar halfway. Attach balloon to the container. Lift the balloon to dump the baking soda into the vinegar and the balloon should blow up.
